Nancy and Paul Zarcadoolas at Caridad’s Call to Heart Ball
CALL TO HEART BALL

WHAT: This year’s annual Call to Heart Ball raised more than $280,000, all of which benefited the privately funded Caridad Center. Sanjiv Sharma and Nadine Allen, who chaired the evening, were honored along with board member Nancy Zarcadoolas and her husband, Paul. The event included fabulous auction items and an exquisite dinner. Caridad Center is one of the largest free health care clinics in the United States, serving uninsured and underserved children and families of Palm Beach County. By offering medical, vision and dental services as well as education and social outreach, Caridad Center ensures that even those who cannot afford health care have the resources for a healthy life.
